Enrollment

If you are eligible, you can enroll yourself and qualifying dependents during the following periods:

- **When you apply for monthly pension benefits.** If you want to enroll at this point, you must enroll no later than 60 days after the effective date of the pension benefits.
- **When you turn 65.** TRS will mail you enrollment information within 90 days of your 65th birthday along with a checklist to assist with your Medicare enrollment. Benefit recipients deemed eligible for Medicare Parts A and B have an opportunity to enroll into the Medicare Advantage TRAIL Program within six months of their 65th birth months. Benefit recipients who are not deemed eligible for Medicare Parts A and B can still enroll in a standard TRIP plan (see next page), but will be subject to a higher Not Medicare Primary Age 65 & Above premium. See the Monthly Premiums chart listed below.
- **When coverage is terminated from a former plan.** You may continue coverage with another plan rather than enroll in TRIP. If this occurs, you and your eligible dependents may enroll in TRIP when coverage under the other plan is terminated. You must enroll with a letter from the plan stating the effective date of termination no later than 60 days after the termination of the plan's coverage.
- **During the Benefit Choice Period.** You may be eligible to enroll in TRIP during the Benefit Choice Period (usually May 1 through May 31 each year). The insurance becomes effective on July 1. Additionally, a fall enrollment occurs for those eligible for the Medicare Advantage TRAIL Program.

You may enroll dependents when you enroll in the program, the dependent turns 65, a qualifying change in family status occurs (marriage or birth/adoption of child), or coverage is terminated by a former plan. You may also enroll dependents during the annual Benefit Choice Period. Dependents will be enrolled in the same health plan as the benefit recipient.

If you or your dependent is actively working and eligible for Medicare, or you have additional questions about this requirement, contact the CMS Group Insurance Division, Medicare Coordination of Benefits (COB) Unit at 800-442-1300 or 217-782-7007.

** Medicare Primary dependent beneficiaries enrolled in a managed care plan, or in TCHP when no managed care plan is available, receive a premium subsidy.

Health Plan Availability

If you live outside of Illinois, you may have coverage through the Open Access Plans (OAP) offered by Aetna, HealthLink and Blue Cross Blue Shield. There is now a broader coverage area for some of the OAP plans, therefore you may have the option to elect an OAP plan that was previously unavailable. If you have a Managed Care Plan available in your county and choose to elect the Teachers' Choice Health Plan (TCHP) coverage, you will pay the higher TCHP rate.
