I. Introduction

The Teachers' Retirement System of the State of Illinois (the System or TRS) is requesting proposals from firms that provide private equity co-investment consulting services to serve in a non-exclusive engagement as part of a pool of consultants for underwriting the system's co-investment transactions. The objective of this Request for Proposal is to solicit competitive proposals from qualified firms in sufficient detail to permit objective evaluation of all proposals which may result in a contract to provide co-investment consulting services to the Teachers' Retirement System primarily in the private equity asset class, but may also be utilized for an engagement in other assets classes like fixed income or infrastructure.

TRS is committed to increasing racial, ethnic, and gender diversity in all aspects of its utilization of vendors to provide goods and services to the System, to the greatest extent feasible, and within the bounds of financial and fiduciary prudence. To that end, the System strongly encourages qualified minority, female, disabled, and veteran-owned firms to submit proposals to this RFP.

A proposer's preparation and submittal of a proposal or subsequent participation in presentations or contract negotiations creates no obligation on the System to award a contract or to pay any associated costs. All proposals and related materials will be retained by the System and will be subject to disclosure as required in accordance with the Illinois Freedom of Information Act.

II. Summary Description of TRS

The General Assembly created the Teachers' Retirement System of the State of Illinois (TRS or the System) in 1939. TRS administers a multiple-employer public pension plan to provide its members with retirement, disability, and death benefits. Membership is mandatory for all full-time, part-time, and substitute Illinois public school personnel employed outside the city of Chicago in positions requiring certification by the Illinois State Board of Education. Persons employed at certain state agencies relating to education are also TRS members. The System serves over 434,000 members and had over \$52.25 billion in assets held in trust for its membership as of September 30, 2019.

The retirement system is administered as a qualified plan under the Internal Revenue Code. TRS benefits and investments are governed by Articles 1, 16, and 20 of the Illinois Pension Code, 40 ILCS 5. Funding comes from member contributions, contributions by TRS-covered employers, the state of Illinois, and investment income. The System's most recent Comprehensive Annual Financial Report as well as a variety of other information about TRS is available on the TRS website at <https://www/trsil.org>.

A Board of Trustees (the Board) is responsible for the general administration of the System, including the duties granted to it under Article 16 of the Illinois Pension Code, 40 ILCS 5/16. Under the direction of the Executive Director employed by the Board, the day-to-day administration of the System is delegated to the System's staff.

Using the combined resources of external investment managers, consultants, and internal staff, TRS invests the trust assets in accordance with general fiduciary rules of both state and federal

laws and the Investment Policy adopted by the Board. The market value of the TRS total fund on September 30, 2019, was \$52.25 billion. The asset allocation as of September 30, 2019 was as follows:

| Asset Class | 9/30/19 Total Fund \$ Millions | % of Portfolio |
|-------------------------|-----------------------------------|----------------|
| U.S. Equities | \$8,420.6 | 16.1% |
| International Equities | 9,591.1 | 18.4% |

III. Services Required

TRS is seeking to establish a pool of consulting firms to advise the System on an ongoing, as-needed basis in matters involving the underwriting of co-investments, primarily in the private equity asset class with potential for additional asset classes on an as needed basis. Responding firms must demonstrate experience and expertise in all matters relative to the diligence and underwriting of co-investment transactions. All responding firms must meet the highest standards of professional competence and ethics.

The services to be provided shall include, but are not limited to, the following:

1. Conduct full due diligence investment reviews of selected co-investment opportunities that staff finds attractive and have a high likelihood of being authorized by the Board. Each review will be customized to address the pertinent issues concerning the particular co-investment and how it fits within TRS's existing portfolio of investments. Consultant's due diligence procedures will include the following:
 - Gather and review the investment documents, including offering materials, the buy-sell agreement, financial statements and the like.
 - Request and review other information relevant to the due diligence investigation that might otherwise not be provided by the proposer/general partner, such as financial statements and other data supporting claimed track records, valuations and relevant investment experience.

- Conduct in-depth analyses, reference checks and due diligence reviews of the prospective general partner, target company management and the organization.
 - Analyze and independently verify claimed performance and track record by investigating the general partner's similar portfolio investments made.
 - Conduct extensive third party due diligence investigation, typically including interviews with prior and present investors and former employees; comparing the merits of the offering with similar offerings to determine whether TRS is investing in the best available group of its kind; comparing the terms, conditions and attributes of the proposed investment to other similar and available opportunities; reviewing the proposed terms and structure of the investment; and identifying, if appropriate, any provisions or terms that should be subject to negotiation.
 - Maintain complete, written records and files of all due diligence procedures.
2. Prepare and furnish a written report documenting the results of the due diligence review. The report will contain a summary of the proposed co-investment and the general partner; the proposed co-investment strategy; the terms of the co-investment; the expected rate of return; the merits of the co-investment; any issues and concerns surrounding the co-investment and how they might be resolved; issues and provisions that should be subject to negotiation; and appropriateness of the co-investment for TRS.
 3. Prepare and furnish a written report documenting the results of the due diligence review. The report will contain a summary of the proposed co-investment and the general partner; the proposed co-investment strategy; the terms of the co-investment; the expected rate of return; the merits of the co-investment; any issues and concerns surrounding the co-investment and how they might be resolved; issues and provisions that should be subject to negotiation; and appropriateness of the co-investment for TRS.
 4. Advise staff of the business terms of the co-investment and review of the transaction documentation to ensure that such terms are properly reflected and that the documentation reflects key elements sought by sophisticated limited partners in today's marketplace.
 5. Review, analyze, and assess:
 - Transaction documents related to TRS's investment in each of the direct investments including any offering materials;
 - Performance reports, financial statements and other related materials provided to TRS by the general partners of the partnerships, or the company representatives; and
 - TRS's contributions and commitments to the partnerships as well as any distributions from the partnerships that TRS may receive.
 6. Provide updates regarding changing market conditions and trends and developments affecting the terms and structure of private equity co-investments; and consultant's perspective and opinions on the various segments of the market, for example, addressing overall performance or prospects of market segments and the flow of capital in to and out of particular segments and the changing character of investments pursued by proposers of private equity investments.

7. Assist staff in evaluating co-investment opportunities, meeting with proposers and reviewing their qualifications, evaluating the economics of the proposed co-investment and the track record of the proposer, comparing the proposal's attributes to TRS's selection criteria and identifying any significant issues, including investment concerns, to be addressed during the course of a full due diligence review.
8. Advise staff on the structuring and negotiation of provisions to be incorporated in the terms of direct investment agreements specifically related to governance, including those provisions which govern the format, frequency, and scope of reports provided by companies to TRS.

IV. Proposal Content

At a minimum, the proposal must include the following information to be considered for the engagement. For ease of review, each requirement should be addressed in a separate section preceded by an index tab to identify the subject of the section. The proposal should be formatted on consecutively numbered pages and include a table of contents. Failure to provide information in the prescribed format may result in rejection of the proposal. All responses will be subject to verification for accuracy. **Proposals containing false or misleading information will be rejected.**

A. Cover Letter

A cover letter, which will be considered an integral part of the proposal package, in the form of a standard business letter, must be signed by an individual authorized to bind the proposer contractually. This cover letter must indicate the signer is so authorized, and must indicate the signer's title or position. An unsigned proposal will be rejected. The cover letter must also include:

- a. A statement that the proposal meets all requirements of this RFP, and that the offer tendered by the proposal will remain in full force and effect until, and may be accepted by the Board of Trustees of the Teachers' Retirement System of the State of Illinois, at any time prior to June 30, 2020.
- b. A statement certifying that the proposer either: (a) it is not required to register or (b) it is registered as a business entity with the State Board of Elections pursuant to the Procurement Code, 30 ILCS 500/20-160 and acknowledges a continuing duty to update such registration pursuant to the Procurement Code; and that proposer acknowledges that any Agreement awarded as a result of this RFP is voidable under Section 50-60 of the Procurement Code if the proposer fails to comply with the business entity registration requirements. **30 ILCS 500/20-160; 30 ILCS 500/50-60.**
- c. A statement that the proposal is being made without fraud or collusion; that the proposer has not offered or received any finder's fees, inducements, or any other form of remuneration, monetary or non-monetary, from any individual or entity; and that the proposer has not conferred or promised to confer, on any individual or entity, any payment, loan, advance, services, or any other form of remuneration in connection with the award of this engagement.

- d. A disclosure of any current business relationship or any current negotiations for prospective business with TRS, or with any member of the Board of Trustees or TRS staff, or any party currently rendering services to TRS.
- e. **A statement that the proposer is willing to enter into an agreement in the form attached to the RFP as Appendix E including all certifications and representations contained therein, and that the proposer acknowledges and understands that certain general provisions in the sample agreement mandated by Illinois state law to be included in contracts with agencies of the State of Illinois are not subject to negotiation.**
- f. A statement that the proposer acknowledges that all documents submitted in response to this RFP may be subject to disclosure under the Illinois Freedom of Information Act and/or the Illinois Open Meetings Act.
- g. An attestation by the signer that the information provided in the Proposal is true and accurate, and that the signer is aware that pursuant to the Illinois Pension Code, 40 ILCS 5/1-135, any person who knowingly makes any false statement or falsifies or permits to be falsified any record of a retirement system or pension fund created under this Code (i.e., the System) in an attempt to defraud the retirement system or pension fund is guilty of a Class 3 felony.

B. Statement of Minimum Qualifications

Proposers must complete and return the Minimum Qualifications Certification in the form contained in Appendix A.

C. Questionnaire

The questionnaire contained in Appendix C to this RFP must be completed and returned as part of the proposal.

D. Fee Proposal

Proposers must submit their fee in the format prescribed in Appendix D. Any deviation from the prescribed format which in the opinion of TRS is material may result in the rejection of the proposal. The proposed fee shall include all costs and expenses for providing the services to TRS as described in this RFP. Once finalists are selected, fees may be subject to a “best and final” offer process to be determined at the discretion of the System.

The fee proposal must expressly state that the proposed fees are guaranteed for the term of any resulting contract.

E. Contract

This Request for Proposal is neither a contract nor meant to serve as a contract.

It is anticipated that one or more of the proposals submitted in response to this Request for Proposal may be selected as the basis for negotiation of a contract with the proposer. Such a contract is presently contemplated to contain, at a minimum, the terms and conditions set forth in the sample agreement included as Appendix E, but will also incorporate the terms of the proposal submitted, as finally negotiated and approved by the System. TRS reserves the right to negotiate additions, deletions, or modifications to the sample agreement and/or the terms of proposals submitted.

Certain provisions in the sample agreement are required by the State of Illinois and are therefore not subject to negotiation. **Thus it is critically important that firms submitting proposals clearly and thoroughly identify any and all contractual concerns in their written proposal. Material changes to the sample agreement may preclude the proposal from further consideration.** A proposer that waits until contract negotiation to object to TRS contract terms may be precluded from further consideration.

V. Submission of Proposals

All proposals must be received at the address designated below **no later than 2:00 P.M. CST on April 3, 2020**. Submit three (3) hard copies of your proposal and one (1) copy on CD-ROM or thumb/jump drive in a sealed package to:

Heidi Darow, Purchasing Officer
Teachers' Retirement System of the State of Illinois
2815 West Washington Street
Springfield, IL 62794-9253

All hard copies must be submitted in one or more sealed envelope/package(s). One of the hard copies must be marked as the "Master Copy" and submitted in a loose-leaf, three-ringed binder which displays the proposer's name on the outside front cover. **Do not submit the Master Copy with spiral binding.**

Clearly identify the outside of the sealed proposal package with the proposer's name and return address in the upper left-hand corner and the statement "**SEALED PROPOSAL- DO NOT OPEN - Response to Request for Proposals for Private Equity Co-Investment Consulting Services, Issued March 4, 2020.**" Failure to clearly identify the outside of the proposal package may result in the rejection of the proposal. TRS is not responsible for receipt of any proposal which is improperly labeled.

TRS accepts no responsibility for lost and/or late delivery of proposals. Whether mailed, hand-delivered, or delivered by carrier, the proposer is responsible for timely delivery on or before the above date and time. **Proposals that arrive late for any reason whatsoever, including mail delay or any other cause beyond the control of the proposer, will not be considered and will be returned unopened.**

Except as specifically requested by TRS, submission of proposals or any portion thereof via facsimile transmission, electronic, or magnetic media will not be allowed.

The proposals become the property of TRS upon submission. All costs for developing proposals and attending presentations and/or interviews are entirely the responsibility of the proposer and shall not be chargeable to TRS.

Only one proposal from an individual, firm, partnership, corporation, or combination thereof, will be considered for this assignment.

VI. Evaluation Process

A. Pre-Evaluation Review

Each proposal package will be date-stamped when received. Each proposal package will be inspected to ascertain that it is properly sealed and labeled. Proposals not passing this inspection may not be accepted. All proposals will be reviewed to determine if they contain all the required submittals specified in this RFP. Those not submitting all required information will be rejected.

B. Proposal Evaluation

Proposals that pass the pre-evaluation review will undergo an evaluation process conducted by TRS staff. TRS will consider the following various elements in the decision process, ranked in no specific order, and will render a decision based on the perceived best value for the engagement. Fees will be one of the determining factors in this decision but will not be the primary determinative. Proposals will be evaluated based on criteria including:

- Understanding of the services requested
- Soundness of the approach and quality of the proposed services
- Firm qualifications including established record of success in similar work
- Individual qualifications of the assigned staff
- Proposed deliverables
- Cost

During the evaluation process, proposers may be requested to provide additional information and/or clarify contents of their proposal. Other than information requested by TRS, no proposer will be allowed to alter the proposal or add new information after the filing date.

Finalists may be scheduled for one or more oral presentations or interviews with TRS staff. Not all proposers may be asked to participate. Finalist interviews will be approximately one hour and may be scheduled at the TRS office in Springfield, Illinois or designated alternate location at the discretion of TRS. Further, finalists may be asked to present their credentials and program specifics to the Board of Trustees at a public meeting. No expenses or costs associated with interviews or Board presentations will be paid or reimbursed by TRS. TRS may require contract and fee negotiations to be completed prior to any presentation or interview. Once finalists are selected, fees may be subject to a “best and final” offer process to be determined at the discretion of the System.

VIII. General Conditions

A. Clarification of the RFP

To maintain the integrity of the RFP process, interested proposers are expected to respond to this RFP to the best of their understanding **without asking questions or requesting clarification**. If a proposer discovers an error in this RFP, the proposer should immediately notify TRS of such error in writing to Heidi Darow at the following email address: purchasing@trsil.org. If deemed necessary or appropriate in the System's discretion, TRS may clarify or modify any part of this RFP by posting notice on the TRS website prior to the proposal deadline.

B. Restrictions on Communication

Proposers must not discuss or share the contents of their proposals with other potential proposers. TRS policy and the Illinois state ethics law strictly limit communication during the search process. **Any attempt to initiate contact with TRS staff or TRS Trustees, other than as specifically stated in this RFP, may disqualify the proposer from further consideration.**

C. Prior Deficiencies

A proposer that is or has been deficient in current or recent contract performance in dealing with TRS or other clients may be disqualified unless the deficiency is shown to have been beyond the reasonable control of the proposer. TRS may reject a proposal from any proposer that is in default on any debt owed to, or contract with, TRS or other clients, or that is in default as surety or otherwise, upon any obligation to TRS, or has failed to perform faithfully any previous contract with TRS. Proposers that are newly formed business concerns having substantially the same owners, officers, directors, or beneficiaries as a previously existing non-responsible proposer may

be disqualified unless the new organization can prove it was not set up for the purpose of avoiding an earlier declaration of non-responsibility.

D. Reservation of Rights

TRS reserves the right to withdraw this RFP, to accept or reject any or all proposals submitted, and to waive any immaterial deviation, defect, or irregularity, whenever it would be in the best interest of TRS to do so. Waiver of an immaterial deviation shall in no way modify the Request for Proposal or excuse a proposer from full compliance with all RFP requirements.

Proposals that contain false or misleading statements or that provide references which do not support an attribute or condition claimed by the proposer will be rejected. Issuance of the Request for Proposal creates no obligation to award a contract or to pay any costs incurred in the preparation of a proposal. Nothing in this RFP or any resulting contract shall preclude TRS from procuring services similar to those described herein from other sources.

E. No Confidentiality

Proposals and all materials submitted in response to this RFP cannot be considered confidential. All proposals and related materials will be retained by TRS and will be subject to disclosure as required in accordance with the Illinois Freedom of Information Act, 5 ILCS 140.

F. Equal Opportunity

TRS does not discriminate because of race, color, religion, creed, sex, sexual orientation, age, marital status, military status, certain unfavorable discharges from military service, political affiliation, citizenship, ancestry, national origin, physical or mental handicap or disability or any other characteristic protected by law. It is the System's intent to comply with all state, federal, and local equal employment and opportunity laws and public policies.

In the event the System and Contractor cannot agree to the amount of payment due Contractor, Contractor will receive a percentage of payment provided under the Agreement equal to the percentage of work completed prior to termination of the Agreement. Contractor shall immediately return to TRS any payments for supplies, equipment, or services that were not rendered by Contractor.
- e) Termination of this Agreement shall not relieve either party of any obligations hereunder which were incurred prior to the date upon which the termination is effective.
