# Gemini System Update
FY24-11
External Release Notes

We are continually striving to improve the Gemini experience for you. Your feedback, received through our [weekly employer forums](#) or communications with Employer Services or Accounting staff, is incorporated into the application as it is developed. Gemini System Updates are provided with each new release to keep you informed by providing a summary of new features, improvements to existing features, resolved issues and known issues in the latest version of Gemini. Occasionally we may also include "tips and tricks" and "coming soon" items as well.
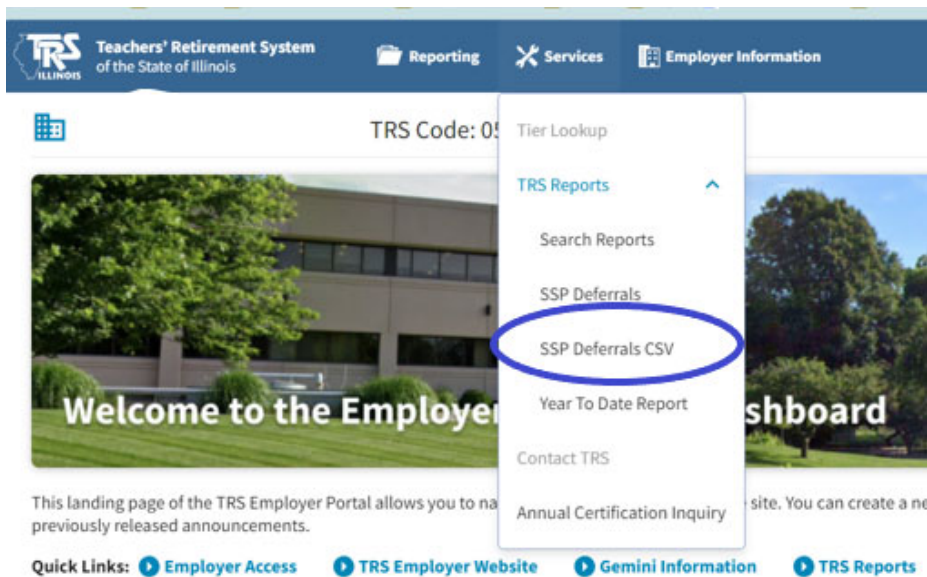

What's New

- A Gemini logo and a revised TRS building image have been added on the Gemini Login page and related access screens. These images will display when your browser cache recycles. Do not be concerned if you do not see the images below right now. *(TRS Reference #141601)*

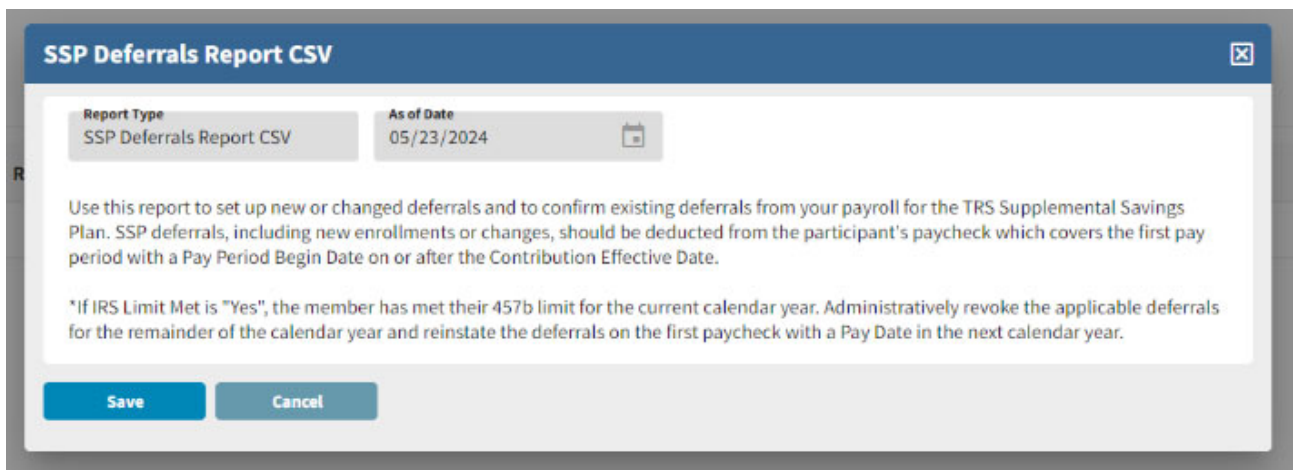

- **SSP Deferrals Report CSV**
  In response to user feedback, employers can now generate an **on-demand CSV version** of the SSP Deferrals Report from the TRS Reports menu. The report will contain all the member SSP deferral records for the employer that would be included on the most recent PDF version of the SSP Deferrals Report. If no members are enrolled in the SSP, the report will generate a statement indicating no deferrals exist.
 - First, select SSP Deferrals Report CSV from the TRS Reports menu.

- Next, read the instructions for using the SSP Deferrals Report CSV (the same as the PDF version but not included within the CSV file), then click Save.

- The report will be downloaded directly to the user's computer and will be named **SSPDeferralsReport.csv**.

- This new feature will be demonstrated during the May 30th Gemini Zoom Forum. *(TRS Reference # 141219 and 121883)*

Coming Soon!

Enhancements for the Annual Certification process are now complete and will be available to users once the Annual Certification widget is enabled on June 1. Watch for more details in a Gemini System Update next week. Annual Certification training sessions will be provided by Employer Services and are tentatively planned for the first week of June. Final dates will be published soon.

If you have questions, concerns or feedback you would like to share, please email employers@trsil.org for reporting items, accounting@trsil.org for accounting items or SSP@trsil.org for SSP/deferred compensation items.
