Employers are required to report post-retirement hours worked in Gemini. Annuitants are limited to work a maximum of 600 hours per school year in a TRS-covered position. All time that an annuitant is required to be present (before, between and after class) and paid time off counts towards the limitation. Record each full day (five or more hours) as five hours, even if more than five hours were worked on that date. For partial days (fewer than five hours), record the actual number of clock hours worked to the nearest hundredth decimal.
